## Foreword

Barry (deceased) and Gwen have successfully bred and raced pigeons for over 50 years, winning many Club & Federation races with the Qld Racing Pigeon Fed and later with the Toowoomba Federation. Barry is most notably remembered for the famous ABC birds, which when crossed with the Balfe Harrisons and other lines brought a great deal of success to himself and many other flyers.

Barry's passion was always for the all-day races finishing into the evening and the next morning. Space does not allow to detail the many successful birds and races that have been flown from his loft.

After Barry's passing this success continued Gwen winning the Thargomindah Fed 600 miles in 2009 clocking the bird at 4am on the second morning. Other notable successes have been 2<sup>nd</sup> Fed Temora 580 miles and 3<sup>rd</sup> Fed Jerilderie 650 miles, both sisters bred from the Grizzle family.

Most of these winners can be traced back to what is known as the old Brisbane blood, consisting of birds based around the Balfe Harrisons (Ron Scott), the Uncle Sam birds (Ted Chester) and the Watson Pies (Lou Cooper & Jim Watson), all long distance families that have been blended along the way to produce birds that excel at the hard long distance races. No better distance blood is available than these lines.

### The Watson Pies:

The Watson Pies were first brought to Brisbane from the Newcastle area by Lou Cooper. They were made famous by the late Jim Watson, the former President of the QRPF who won the 700 mile Townsville race with a hen he bred down from these Lou Cooper birds. This hen was the first of only two birds home in race time from this very difficult race. Her sire **Blue Bar Pied cock 1367 WHC 72** also bred a Goulburn 540 mile Fed winner clocked at 1am and 2nd in the 700 mile Junee Fed, as well as 13<sup>th</sup> Fed Camden 450 miles clocked at 9.45pm. This pied cock has featured prominently in many of the best long distance winner's right up until the present.

### The Grizzle Blood

Barry's top distance winning grizzles all trace back to the Grizzle cock **9897 QPF 87** who was placed 1<sup>st</sup> Fed Goulburn 540 miles clocked at approximately 10pm at night, to win what was a hard race for Russel Beetham. 9897 was bred down from Russell's top **Grizzle hen 1942 QHS 71** when mated with his No.1 stock cock **519 QPF 80**, who sired 1<sup>st</sup> Fed Bega 700 miles and 1<sup>st</sup> Fed Cobar 540 miles. This pair bred **15572 QPF 84 Grizzle cock** who was the sire of 9897. Only 4 young were bred from 9897 in Barry's loft before he was unfortunately killed by a snake. Of these **54 NIPC 90** went on to breed a number of good race birds and even better stock, 55 was also killed by a snake and **99 NIPC 90** was given back to R. Beetham. 99 was placed 18<sup>th</sup> Fed Bega 700 miles and equal 3<sup>rd</sup> Fed Camden landing 2 minutes behind the Camden Fed winner for Russell and he too has left his mark in the stock loft.

## Reference Pigeons

**Ref No.1 Blue Bar Pied Cock 802 NIPC 96** – Son of **2885 QPF 79 BBPC** bred by W Sloan (2885 a son of the Champion Watson Pied cock **1367 WHC 72**)

802 was clocked by John Blockland from Townsville 700 miles winning the club and the West Section, unfortunately the QRPF Federation race was called off due to birds escaping from the North Section crates. 802 would have been placed 3<sup>rd</sup> Open Fed.

802 is the sire of 6<sup>th</sup> Fed Cunnamulla, 5<sup>th</sup> Fed Talwood, 9<sup>th</sup> Fed Charleville & 2<sup>nd</sup> Fed Charters Towers (clocked at 12.30am). **Ref No.5 Known as the ABC pigeons of Barry Hutchinson**

**Ref A** Light Cheq Hen 1370 QPC 72

**Ref B** Blue Bar Cock 1401 QPC 71

**Ref B** Blue Bar Cock 1402 QPC 71

These three pigeons when mated together and crossed into the Old Brisbane blood, mainly through the Balfe Harrisons produced a dynasty of top line winners at all distances. Long distance birds performed better and came home regularly at night and middle distance birds became a lot quicker depending on how much of the above birds blood was in their pedigree.

The ABC blood is still producing winners to this day.

818 QPF 99 bred from 14992 QPF 87 x an inbred granddaughter of 14992

14992 by 374 QPC 74 x 690 QPC 72

374 & 690 are brother & sister both bred directly from Ref A & B.

The inbred granddaughter of 14992 bred 1<sup>st</sup> Qld Cup in 1996; her sister bred 9<sup>th</sup> Qld Cup 1997. Another sister is the G'dam of 1<sup>st</sup> Fed Gold Band race 2004.
