The unique opportunity to purchase some of the best current winning pigeons in Australia has come about due to the passing of MV Lofts Principal Malcolm Coulston. Malcolm whilst being only a relative newcomer to the sport started his first full season in the SAHPA in 2011, Malcolm acquired the best birds he could get both here and overseas with no expense spared in the set up of racing lofts and the breeding establishment. Malcolm wanted to win and as quickly as possible. In 2012 Ken Waters was engaged as the full time loft manager for the birds and the results achieved by this loft have been nothing short of sensational in the strong SAHPA Competition with over 220 members, the pinnacle being crowned as the SAHPA Overall Aggregate Points Champion in 2013. Results have been outstanding and consistent!
