Preface

Due to illness Sheila has been forced to remove all her pigeons and equipment from her home and it is with sadness that she does so. There is good deal of pigeon equipment, including nest bowls, crates of various sizes, feeders & drinkers, as well as her pigeons included in the sale and it is hoped they will be of benefit to the fancy.

Sheila won 1st Open Fed from Marlborough 600kms in 2012 and the dam of that pigeon is included in this sale.

Sheila and her family thank you for attending this dispersal sale and wish everyone who purchases these birds and equipment the best of luck.
