

AUCTION

RESIDUAL PIGEONS OF JUNE AND GRAHAM DAVISON

VENUE: TOWRADGI CLUBROOMS — HENRIETTA ST. TOWRADGI, NSW

DATE: 22nd APRIL 2018

VIEWING: 9.30 AM

SALE COMMENCEMENT: 11.00 AM

AUCTIONEER: ALAN KERR

CATALOGUE INFORMATION: ANDREW SZALAI

PIGEONS IN THE SALE HAVE ALL BEEN VACCINATED TWICE FOR PMV

The auction of the residual pigeons of this most dominant partnership represents a unique opportunity for fanciers to acquire superb winning bloodlines. The success of the partnership is common knowledge — in the vicinity of 300 Federation wins and 40 Aggregate Points triumphs. Health considerations for both June and Graham made the decision to sell one of necessity rather than one of choice. Clearly there is not the normal amount of background information in the catalogue despite the efforts of Andrew to provide as much as possible. That recorded is accurate and it is also accurate to report that Davo's strong point was pigeon racing and not result recording. This should be viewed as a positive for purchasers who would likely be outlaying more money if detailed pedigrees / performances were available. Sufficient to say that the strength of this loft did not provide space for pigeons of known inferior quality. Whilst very disappointed that

PLEASE NOTE THAT PAYMENTS ARE TO BE MADE IN CASH ONLY ON THE DAY OF THE AUCTION.
