Auction Preface — The Loft of Ken Jorgensen

From one of Queensland's most consistently dominant racing lofts comes a rare chance to secure pigeons bred from proven, championship winning bloodlines. Ken Jorgensen's team has delivered Federation wins, National placings, Derby success, and elite long distance results across every major route. Built on elite genetics and strict selection, this family includes birds down from Greg Hamilton's renowned lines, complemented by Ken's long distance blend of C. Porter, K. Clegg, and Jorgensen bloodlines — a combination known for endurance, stamina, and the ability to clock at night. These birds have excelled in Five Bird Championships, Breeder's Plates, Ring Races, Young Bird Futurities, and Open Nationals. Across the past decade, the loft has produced 1st Open Federation wins, multiple top three placings, and consistent top10 results from 180 km to 1,280 km. Whether you're an established fancier or new to the sport, these pigeons offer the performance, durability, and pedigree to strengthen any competitive loft. Elite birds, proven results.
