My pigeons have had an impact in some of the very best lofts in Australia. My sprint and middle distanced birds would be more than competitive in any club/federation/association in Australia. Over the past few seasons that I raced I tried to create a specialized long distanced breed that concentrated on races from Thursday night onwards. The results are listed below.

- 
- CCF 2025 atleast 4 Federation winners contained my bloodlines for other fanciers.
 - Past 4 seasons;

 - o 2022 1st CCF long distance averages and 3rd CCF Overall averages
 - o 2023 1st CCF long distance averages and 2nd CCF Overall averages
 - o 2024 1st CCF short distance averages, 2nd CCF Long distance averages and 1st overall averages.
 - o 2025/2026 did not race
 - Club Level

Testimonials

"It is a rare opportunity to witness the complete sellout of Jason Stig racing pigeons a loft renowned for championship performances and world-class bloodlines.

In the early days, under the guidance of his Father Peter, and the legendary Graham Davison, Jason Stig has gone on to consistently produce pigeons that win at the highest level, with outstanding performances right up to 2024; winning the Central Cumberland Federation (231 flyers) Overall Champion, flyer of the year.

Jason has been my friend for more than 20-years and during that time I have thoroughly enjoyed 'talking pigeons' with him. His insights, his competitiveness, and tactical pigeon acumen, are world class. Given the backdrop of fierce local competition, and his desire to compete from the first to last race-points, he laid out a plan (around 10-years ago) to go further with his team, all the way to the 500-mile & 600-mile races. Since then, his performances in the longer races have equaled his exceptional performances in the short distance races and the group of distance birds assembled is now available for sale; what an opportunity!

For those looking for top-performing, world class winners this 'complete sellout' is truly worth attending. See you there!"

Past President ANRPB

"I'd like to sincerely thank Jason Stig for his generosity in giving me some of his racing pigeons. His kindness and support helped keep me in the sport. Without those birds, I may not have continued, and I'll always be grateful for that.

Jason has also been generous with his knowledge and advice, always willing to help and encourage fellow fanciers.

If you're looking to strengthen your loft or stay competitive, Jason's family of birds are an excellent choice. They come from proven bloodlines and provide a solid foundation for success.

Jason's results are second to none, and his ability to select outstanding breeding pigeons is exceptional. Time and again, he has proven he can produce birds that perform at the highest level. His generosity, honesty, and dedication to the sport make him a credit to the pigeon racing community, and I wouldn't hesitate to recommend him to anyone looking for top-quality racing pigeons."

Background

Heremans-Ceusters

I was the first to bring these birds to Australia. I got them when Leo and Charel were in their prime. The original birds that I purchased were directly off all their elite birds ie; The Olympiad, Euro, Figo and Jan. I had 6 youngsters directly off the Olympiad. They crossed well with my Van Reet Pigeons.

Louis Stabel & Son

I was looking for birds that excel at middle distance (400-700kms). Ad Schaerlackens recommended this loft to me. They have super consistent results, they have been Federation Champions of Brabant, 250+ members, for the last 12 consecutive years. The base of this family is Louis van Loon. I have only raced off this family for 1 race season and produced Federation Prizes in the first season.

Staf Van Reet

I was the only one to bring these birds directly from Staf to Australia. I purchased several half brothers and sisters off Staf's Number 1 Stock Cock, The Grote Tom. The Grote Tom was bred from a daughter of the famous Daniel (57 x 1st prizes) paired to a son of Jos Soontjens Super breeding pair. These pigeons have stood the test of time. They are able to win shoulder wind, tail wind or head wind races.

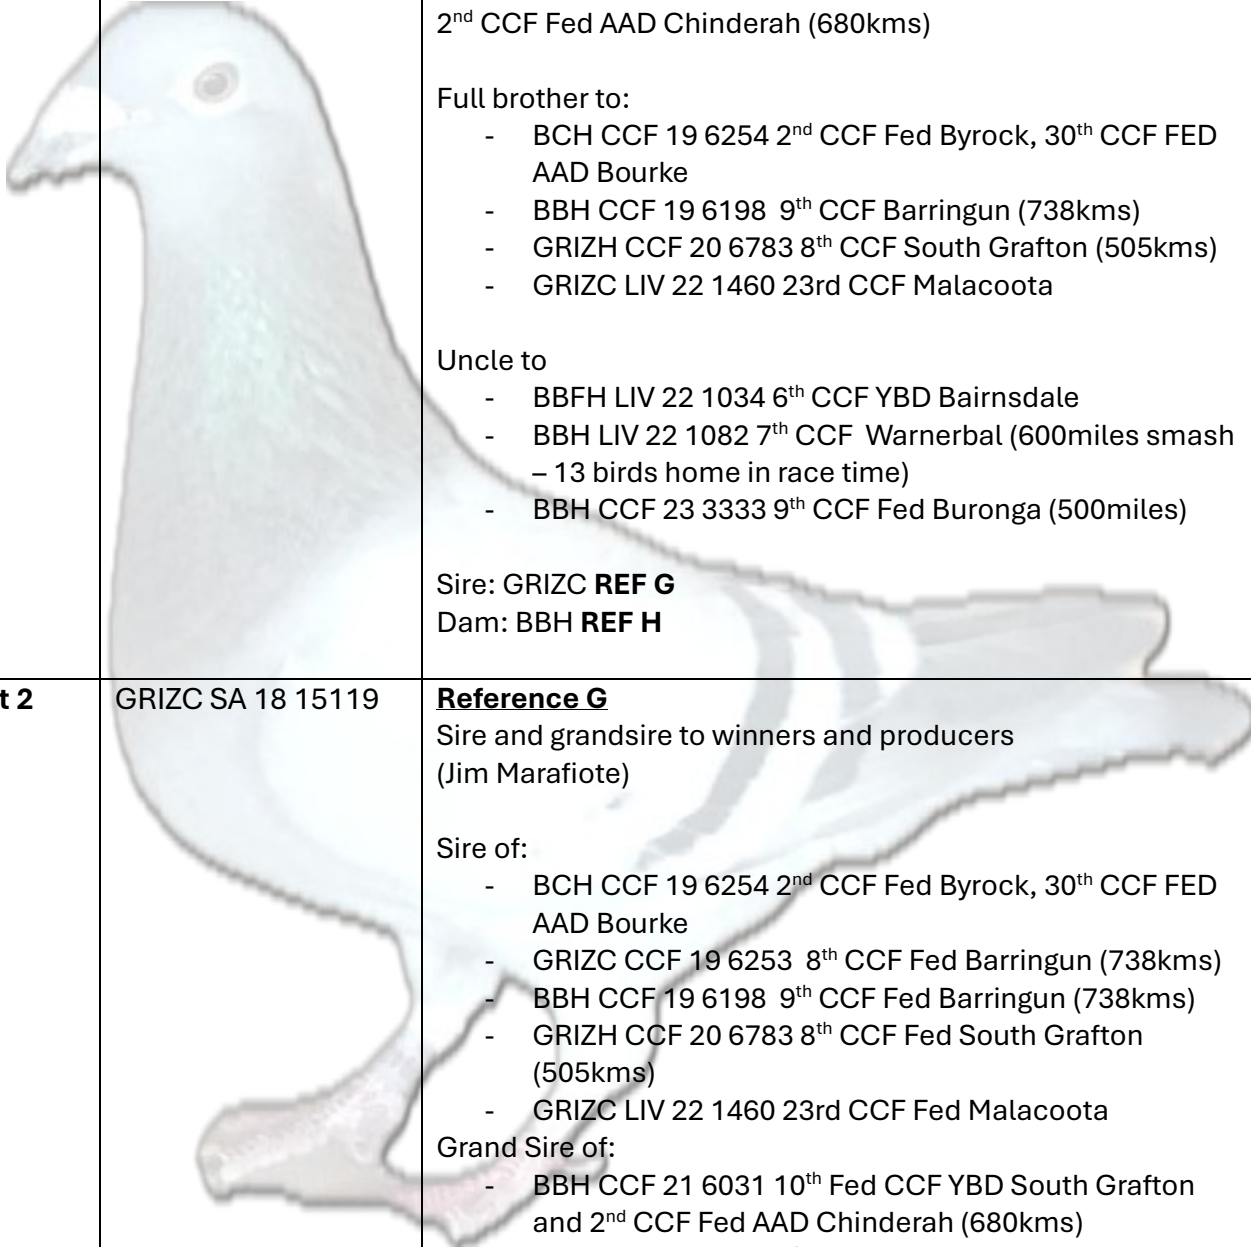

Bros Vandenbrande

A pair direct off the famous "Diamante" and a niece is in the sale. I have not had a chance to race off these yet.

Vandenbulk

I purchased a pair from Steve Lucas, they are grandchildren of "Kittel", again have not had a chance to race off these. I had planned to cross these with my Van Reet and H&C birds.
